## Ray's support for the Club continues

That nice man in John Atkins Cycles, Ray Higgins wants all our Racing Ladies to have an opportunity to ride a fantastic Orbea Ora T105 during the racing season ([http://www.orbea.com/en/bicis/modelos/ora\\_t105/presentacion/](http://www.orbea.com/en/bicis/modelos/ora_t105/presentacion/)). Call in at the shop at 32a Clemens Street, Leamington Spa CV31 2DN and see the bike he kindly has to offer. He will make sure that the bike fits you before you take it away and test it for a couple of weeks, free of charge unless there are any breakages or damaged tyres. You could be riding this bike in the National 10 miles RTTC Championship, promoted by Stratford CC on 23rd May. There is only one bike available, so get round to the shop as soon as you can. Ray's normal days in the shop are Wednesday, Thursday and Saturday, but phone the shop first to check that he will be there. Find the shop at this link - <http://www.bing.com/maps/default.aspx?where1=CV31+2DN&FORM=LMIEMN>

## Impsport Clothing

Club racing jerseys (short sleeves, with short zip and three pockets, most sizes) are the main item in my stock of clothing, available at £39 each. I still have a few pairs of bibshorts etc, and a very small amount of old Endura stuff. Gilets - there are still a few unclaimed, at a bargain £15 for these bright yellow wind-breakers, if you ordered one last year, please come and collect it! For all other items, you will have to order through Impsport Direct.

Impsport are holding down their 2009 prices until 1st of March, when everything is going up by around 10%. Their range includes all the regular cycling clothing plus Tri-suits and other triathlon-specific items. Log onto [www.impsport.com](http://www.impsport.com), navigate to the bottom right corner of the Home page, and type/paste - ChEcrup3ug - into the **Password** box where it says **View Club Category**, click on the **Enter** button, this then takes you to the selection area relating to LC&AC. The website is undergoing an update so the above information is relevant as I write, password should not change when this happens.

But before you order, phone me to check my current stock, or whether there is a Club order going in, larger orders attract a discount!

## 2010 CTT Handbooks

Thanks to Seth and Roger, the first batch of 2010 handbooks were collected at Champions Night. Most have been claimed and I have a couple left, with four or five members wanting them. If you haven't been in touch, contact me before 22nd February and I will order a few more.

## TT Helpers required

Since Phil Galpin has moved out of the area after many years with the Club, I have stepped in to promote his July TTs as well as the September events. I have moved the September TTs back to Saturday afternoon to avoid a clash with the National Circuit TT Champs.

Part of the arrangement agreed with your committee is this - the "volunteering" of marshals and signage will be handled by the committee, and Paul Rolfe has kindly volunteered to coordinate this part of the events for me. If you would like to volunteer your assistance, Paul's number is 01926 337031.

Peter Chronicle will continue as our principle timekeeper, anyone willing to contribute to assisting Peter for Club TTs should turn up to one of the above events and find out how easy his job is.
