OK, you can't fix everything by changing courses, but we did avoid any hold-ups of the temporary traffic-light variety. The new HQ guy made showers available at the very last minute before we started signing riders on, so I couldn't advertise that option. That wind spoiled our own plans for a decent ride but I note that some riders recorded improvements despite this. The event is due to make a return in 2012, on this course again.

Once again, a big thankyou to all my Clubmates and friends who helped out, particularly Paul Rolfe who cajoled all the marshals into volunteering, and Mick Ford who does an excellent job with the signage. Thanks again too, to the ladies behind the counter serving tea & cakes, Jan Ford and her neighbor Daphne, who made sure that I had a regular supply of tea to keep me going! And finally thanks to my wife Chris, who inspired me to promote the TTs and does a sterling job keeping all the e-mails and postage in order.
